Lay Directors have available to them the amount of two full flight fees. These should be divided among several Butterflies and not to just one or two people. These monies do not have to be used and should be saved for those who have exhausted every other avenue for financial help. This money is to be used for butterflies only. This form is to be turned into the Concho Country Chrysalis Board Treasurer. If the Butterfly and/or the sponsor cannot in any way find financial help and is in need of 50% or more of the flight fee, Board approval will be needed. Board approval may consist of 3 current board members. This approval must take place before the Butterfly's flight date.
